Student Financial Aid Authorization

Directions: PLEASE READ THE FOLLOWING INFORMATION BEFORE COMPLETING THIS PAGE:

Federal student aid regulations allow your student aid to be used to pay only tuition and fees billed to you by KVCC, unless you give written permission to KVCC which allows your student financial aid (grants/loans aid) to cover other charges that may appear on your bill. Examples of other charges include health/accident and insurance fees, and fines (parking, library etc). By completing and signing 1A below, you are giving KVCC the authority to apply your student aid to any charges that appear on your bill. If you elect to complete 1B, you will immediately be held responsible for paying any remaining charges. Importantly, you should note that failure to pay these charges may result in the College not allowing you to register for classes the following semester.

Section 1: Complete and sign 1A or 1B (NOT BOTH) and PRINT your name on the last line.

1A. I authorize Kennebec Valley Community College to apply my federal financial aid (grant/loan aid) toward all charges which appear on my KVCC Cashier’s Office bill. This includes all charges such as tuition, technology fees, insurance, user fees, penalty fees, and fines, emergency loans, bookstore charges, and any other charges that I incur while at KVCC. This permission covers the academic period indicated on the front of my award letter.

1B. I DO NOT give Kennebec Valley Community College permission to withhold * from my federal aid (grants/loans aid) any amounts which exceed my tuition and technology fees. I understand that I am still responsible for paying these charges by the due date as outlined on the School Catalog.

- If books and/or supplies were charged at the KVCC Bookstore prior to receiving this authorization form, the school will apply financial aid awards toward those charges.
