KVCC Foundation 21st Annual Golf Tournament

Interested in making a difference in
your community?

Enjoy a day of golf, prizes, food, and fun!

Proceeds from the tournament fund KVCC scholarships.

KVCC annually serves more than 4,000 students through credit, business, industry, professional development, and high school programs. KVCC enrolled 1,610 degree-seeking students during the 2015-2016 academic year.

Scholarships open the doors to education for low-income students, reduce financial obstacles that impact success, and encourage and empower students to achieve their academic and professional ambitions.

The KVCC Foundation engages supporters to invest in students, faculty, and programs to empower individuals and to build stronger communities.

KVCC Foundation Scholarships support:

- KVCC Nursing and Allied Health programs;
- Electrical Lineworker, Sustainable Construction, trades, and technology students;
- Future farmers, chefs, accountants, educators, behavioral specialists, and mental health technicians;
- Students seeking to complete an associate degree before transferring to a four-year college or university;
- Students who are only able to attend college because of scholarship support.

You may also register and pay online:
