

## SP1 016 NABCEP Solar PV Entry Level Exam (CBT)

### **SP1 016 NABCEP Solar PV Entry Level Exam (CBT)**

The NABCEP Solar PV Entry Level Exam is also available in a computer based testing (CBT) format with Castle Worldwide, a recognized NABCEP Entry Level exam provider. This exam is an optional conclusion to SP1 010 and registration is done through KVCC. Students have two years from the conclusion of SP1 010 to register for the exam and six months from the date of their registration to sit for the exam.

*Prerequisites: Successful Completion of SP1 010*
