Section 10.0 Instructions for Preparing Proposals, Section 1 parts B, C & D. One does not need to be established as a business, corporation or partnership to submit a bid on this Request for Proposal (RFP). You can be an individual as long as you meet the other general requirements contained in the RFP. Fill out those parts of the Proposer Certification Form, Contractor's Qualification Statement and Corporate Information mentioned in the above sections that apply to you as an individual; for all other questions contained in those forms mark the Not Applicable (NA).
