

GENERAL STUDIES

ASSOCIATE IN ARTS DEGREE PROGRAM

The Associate in Arts Degree in General Studies is the perfect choice for students hoping to explore different career options. The combination of general education courses in Math, Communications, Social Sciences, Humanities, and Science with additional credit hours selected from an advising pathway provides a unique way to create a personalized program of study and prepare to continue your path toward a Bachelor's Degree at a 4-year college.

"When I started at KVCC, I had no idea where I was headed. As a General Studies student, I explored several career pathways and created the perfect program with my advisor for me!"

"As a General Studies student, I was able to create a program that worked for me and take classes that would transfer to a 4-year program."

This customized degree program will provide the opportunity to explore career options
