KVCC follows the policies below regarding payments:

Go Army!, AI Portal, National Guard or Chapters of Veteran Affairs

For students receiving sponsorship from *Go Army!*, *AI Portal*, *National Guard*, or *Chapters of Veteran Affairs* and also receiving free financial aid or loans, the College will take whatever funds come in first to satisfy the semester's charges. At the point when the sponsor pays the invoice, that payment will be forwarded to the student.

Vocational Rehabilitation at Togus

Students receiving sponsorship from *VAMROC* and also receiving free financial aid or loans will have all aid, minus personal items in the bookstore not outlined by their authorization vouchers and print charges refunded to the student. In the event that *VAMROC* will not pay some of the charges, these charges will be the responsibility of the student.

Veteran Dependent Tuition Waiver

All tuition and fees, except graduation and parking fees, health insurance, liability insurance and certain course fees, will be waived as outlined by the policy instituted by the *Dept. of Defense, Veterans and Emergency Management*. All aid, (free or loans) will be given to the student, minus print charges, emergency loans, and/or insurances.
