

**MAINE COMMUNITY COLLEGE SYSTEM**

**HEALTH AND SAFETY  
Section 807**

**SUBJECT: COLLEGE CRIME REPORTING**

---

**PURPOSE: To establish a method of reporting crimes occurring at the community colleges**

---

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”) seeks to ensure that parents, students, and other members of the college communities are informed about the colleges’ security policies and procedures, and those crimes reported on or near the colleges. To these ends, the Clery Act requires the MCCS colleges to report annually certain policy information and crime statistics; issue timely warning notices of crimes; and maintain a daily crime log. Accordingly, all employees and students of the MCCS are strongly encouraged to report any knowledge of crimes occurring on or near property owned or operated by MCCS. Each college president shall designate a person to oversee the college’s efforts to comply with the information gathering, reporting, disclosure and other requirements of the Clery Act, and the MCCS general counsel shall issue guidance that facilitates these efforts.
