

POSTED December 16, 2011

Client: SPC Transport Co. spctransport.com

About the company: SPC Transport Co. is a Maine based company located in Auburn and has over 20 years of experience providing door-to-door transportation services, freight optimization and logistics management to national shippers with coverage to 48 U.S. States and Canada. SPC has an internal fleet of 160 53' Air Ride Dry Vans, combined with a network of 6,000+ outside carrier partners providing 24/7 transportation coverage. SPC specializes in addressing unique logistical challenges that the customer may have. SPC has 5 acres of secure fenced warehousing with electronic surveillance on the premises. SPC Transport Co. also specializes in cross-dock consolidation, reverse logistics and freight management.

Scope of Project: SPC Transport Co. is looking for a full time sale professional to grow the company business through the use of their telephone marketing skills. The selected sales professional will maintain and grow existing accounts as well as establishing collaborative relationships with new accounts. Ideally, the sales professional will have 2 or more years of experience as relates to out bound telephone marketing sales.

Compensation:

Base salary plus bonuses based on exceeding established objectives. SPC Transport Company offers excellent growth opportunities.
