THE APPRENTICE SCHOOL

JOIN US FOR AN OPEN HOUSE

The BIW Apprentice School is holding an open house, where you'll learn about everything our esteemed apprenticeship program offers and how you can start your educational and shipbuilding career with General Dynamics Bath Iron Works!

WHERE:

BIW Trades Learning Center
8 Leavitt Drive, Brunswick, ME

WHEN:

Saturday, March 9
10 a.m. – 4 p.m.

*Informational presentations given
at 11 a.m., 1 p.m. and 3 p.m.*

The BIW Apprentice School offers an educational and career opportunity unlike any other. The four-year program combines both academic and on-the-job training that, upon completion, provides an Associate of Science degree from the Maine Maritime Academy, a Certificate of Apprenticeship from the State of Maine and a diploma from our program. Every day, our apprentices push new boundaries of achievement and earn while they learn as they partake in our crucial mission of building ships for the United States Navy.
